1. This is an application for grant of anticipatory bail. The applicant is shown as an accused in C.R.No.9/2006 registered by the Ashta police station, dist. Sangli. On perusing the record it is clear that the present applicant who is the petrol pump owner is found to be stocking petrol mixed with lower boiling petroleum hydro-carbons. It was sought to be contended that nature of the lower boiling petroleum hydro-carbons was not

specified by the Assistant Chemical Analyser. Prima facie that may not be necessary because lower boiling petroleum hydro-carbons cannot be said to be petrol and the fact that they are found is indication of adulteration. In the circumstances, not a fit case for grant of anticipatory bail. Rejected.
